

EXHIBIT A

Product Identification Schedule for Tag Along Actions That First Appear Upon the Docket of the United States District Court for the Eastern District of Pennsylvania After The Entry of this Case Management Order

Completion Date

Activity

Within 30 days of the Start Date**

Plaintiffs to submit to defendants answers to defendants' revised product identification questionnaire

Plaintiffs to submit to defendants the executed form of authorization of release of plaintiff's medical records.¹

Within 60 days of the Start Date**

Defendants to submit to plaintiffs answers to plaintiffs' first set of product identification interrogatories and document requests.

Defendants to serve upon plaintiffs copies of documents produced in prior latex glove litigation, if any.

Within 61 to 120 days of the Start Date**

Parties to conduct product identification depositions of third party witnesses and defendants' representatives and any product identification depositions of plaintiffs authorized by the Special Master.

¹The issue, as requested for consideration by defendants, of the requirement that plaintiff provide defendants during product identification discovery with a medical diagnosis establishing the plaintiff's latex allergy is still pending before this Court.

** Or, within the same number of days after approval by the Court of defendants' revised product identification questionnaire, whichever last occurs.
